

**ST. RONAN'S PRIMARY SCHOOL
PARENT'S ASSOCIATION**

Dear Parent/Guardian

By now we hope both you and your child have settled well in to life here at St Ronan's. As Chairpersons of the Parent's Association we would like to welcome you to the parent's community.

The aim of the Parent's Association is to raise money for the school so that all our children will benefit. We raise money by running events and fund raising evenings. In the past the Association has purchased Ipads, Assembly Hall Spotlights, Percussion instruments and a new Sound System for the school. Last year the Parents Association handed over **£2,500** to St Ronan's from fundraising events during the year. That money will be used this year to fund a pilot programme where every child in the school will receive Spanish language tuition. The PA are delighted all our efforts will see such a wonderful return towards our children's education.

All members of the Association are parents of children in the school. Our aim is to not only raise money, but to bring parents together, build up a community atmosphere and ultimately for both you and your child to gain from the experience.

At this time every year we send out an invitation for you to join us either in the Association or as a volunteer/helper at fund raising events. If you think you can give of your time, please complete the tear off strip below. You will be greatly welcomed and your involvement can be as often or as seldom as you have time to offer.

Yours sincerely

Sarah Gilbert & Julie Stamm
Co Chairpersons
